LONG VERSION

**After the great success of the 2022 edition of the Carrefour International du Bois, the tradeshow of reference for the entire timber and forestry sector will return to Nantes on May 28, 29 and 30, 2024.**

Some new features have been announced for 2024 to continue the momentum of the previous show...the attendance at the show in 2022 provides an opportunity to develop the show, towards sectorization, this year.

In order to improve the visibility of products and the visitor experience, **the 2024 edition will be organized by major sectors within 4 exhibition halls:**

- 📍 Hall 1 & 2 / **Parquet floors and panels**
- 📍 Grand Palais & Mezzanine / **Construction & Services**
- 📍 XXL Hall / **Sawing, Forestry and Wood Trade**

This event brings together the largest international range of timber products, **with over 630 exhibitors from nearly 40 countries:** sawmills, panels, parquet flooring, cladding, wood construction solutions, wood for interior and exterior fittings. You are a trader, industrialist, carpenter, architect, prescriber, project owner, developer, designer, forester, craftsman, etc. your professional contacts will be at the Carrefour, come and meet them!

The Carrefour International du Bois is also a cycle of conferences, at the cutting edge of industry news with experts on the following themes: **reuse, architecture, carbon neutrality**, but also **renovation, world markets, 2024 Olympic Games, employment, EUDR,...**

Also new for 2024, we will be welcoming you on new days. The show will now be open on **Tuesday 28, Wednesday 29 and Thursday 30 May 2024**. So don't delay any longer and request **YOUR FREE ACCESS BADGE** today! To register, it's right here 📍 <https://www.timbershow.com/visiter/>.
