LONG VERSION

Following the strong momentum and renewed confidence in timber demonstrated at the previous edition, the lead event for the forestry and timber industry will be back in Nantes, France on June 2, 3 and 4, 2026.

Once again, exhibitor demand for this biennial event was immediate, confirming the strong appeal of the Carrefour International du Bois. Hundreds of exhibitors will welcome visitors at the Nantes Exhibition Centre for three days dedicated to networking and business.

In order to improve the visibility of the products and your personal experience, **the 2026 edition will be organised, as in 2024, by major sectors, across 5 exhibition halls:**

- 🔗 Hall 1 & 2 / **Fitting**
- 🔗 Hall XXL / **Sawn timber, Forestry and Timber trade**
- 🔗 Grand Palais / **Construction**
- 🔗 Mezzanine / **Services**

A 100% timber, 100% business event, the show groups the most comprehensive international offering of timber products, **with over 650 exhibitors from nearly 40 countries**: sawn timber, panels, parquet flooring, cladding, timber construction solutions, and products for interior and exterior design.

The Carrefour International du Bois is also a cycle of conferences, at the cutting edge of industry news with experts on the following themes: **uses, materials & innovations - wood architecture & projects - jobs & skills**, as well as **economy & industry markets**, and also **forest, resources and climate...** <https://www.timbershow.com/en/programme/>

Other highlights await you: **spaces dedicated to bio-based materials, innovation and employer branding, a day devoted to local authorities, a TV set**, as well as **pitch** areas... and many more experiences to enjoy.

Timber traders, manufacturers, carpenters, architects, specifiers, project owners, developers, designers, foresters and craftsmen: all your professional partners will be at the Carrefour International du Bois.
